

WAVScribe

End-User License Agreement (EULA)

IMPORTANT — READ CAREFULLY:

This End-User License Agreement (“EULA”) is a legal agreement between you (either an individual or a single entity) and Formosa Soundworks Studio, operating from Kaohsiung, Taiwan (R.O.C.) (“Licensor”), for the WAVScribe software that accompanies this EULA, which includes the computer software, associated documentation, and any updates or supplements provided by the Licensor (“Software”). By installing, copying, or otherwise using the Software, you agree to be bound by the terms of this EULA. If you do not agree, do not install, copy, or use the Software.

1. Definitions

“**Licensor**” means Formosa Soundworks Studio, the developer and publisher of WAVScribe, operating from Kaohsiung, Taiwan (R.O.C.).

“**Software**” means the WAVScribe application, including all files, libraries, and documentation distributed with the installer.

“**License Key**” means the unique activation code provided to you upon purchase, granting the right to use the Software.

“**User**” or “**You**” means the individual or single entity that has accepted this EULA and purchased a valid license to use the Software.

2. Grant of License

Subject to the terms and conditions of this EULA, the Licensor grants you a perpetual, worldwide, non-exclusive, non-transferable license to:

(a) Install and use the Software on up to two (2) computers or workstations owned or controlled by you at any given time. This is a single-user license tied to you as an individual, not to a specific machine. The two-installation allowance is intended for convenience (e.g., a primary workstation and a laptop) and does not permit simultaneous use by multiple individuals.

(b) Make one backup copy of the Software for archival purposes only.

The Software is licensed, not sold. This EULA does not grant you any ownership interest in the Software.

3. Restrictions

You may not:

- (a)** Copy, distribute, sublicense, rent, lease, or lend the Software or your License Key to any third party;
 - (b)** Allow any other individual to use the Software under your License Key, including employees, co-workers, or contractors — each user requires a separate license;
 - (c)** Reverse engineer, decompile, disassemble, or otherwise attempt to derive the source code of the Software, except to the extent that such activity is expressly permitted by applicable law notwithstanding this limitation;
 - (d)** Modify, adapt, translate, or create derivative works based on the Software;
 - (e)** Remove, alter, or obscure any copyright notices, trademarks, or other proprietary notices contained in the Software.
-

4. License Key and Activation

- (a)** Your License Key is personal to you and may not be shared, published, or transferred to any other individual or entity.
 - (b)** The Software requires an internet connection for initial activation. During activation and periodic license verification, the Software transmits the following information to the Licensor's licensing server (operated by Lemon Squeezy): your License Key, a machine identifier (your computer's hostname), and a unique installation identifier assigned during activation. No personal data, file data, audio content, usage telemetry, or any other information is collected or transmitted. The Software does not phone home for any purpose other than license verification.
 - (c)** After initial activation, the Software periodically verifies your license status (approximately once every 24 hours when an internet connection is available). If the Software is unable to reach the licensing server, it will continue to operate normally for up to thirty (30) days from the last successful verification. After this grace period, the Software will require an internet connection to verify your license before it can be used.
 - (d)** Your license permits up to two (2) active installations at any time. If you need to move an installation to a new computer, you may deactivate an existing installation from within the Software (Help → License → Deactivate This Installation). If you no longer have access to a previously activated computer, contact contact@wavscribe.com to request a manual activation reset.
 - (e)** The Licensor reserves the right to deactivate or revoke a License Key that is found to be used in violation of this EULA, including but not limited to unauthorized sharing, redistribution, or fraudulent acquisition. In such cases, the Licensor will make reasonable efforts to notify you before deactivation. A license may also be deactivated automatically if a refund is processed for the associated purchase.
 - (f)** If you experience activation issues, you may contact the Licensor at contact@wavscribe.com.
-

5. Intellectual Property

The Software is protected by copyright and other intellectual property laws and treaties. The Licensor retains all rights, title, and interest in and to the Software, including all copyrights, patents, trademarks, trade secrets, and other intellectual property rights. No title or intellectual property rights in the Software are transferred to you. All rights not expressly granted under this EULA are reserved by the Licensor.

6. Software Updates

The Licensor may, at its sole discretion, provide updates, patches, or new versions of the Software. The Licensor is under no obligation to provide updates or continued support. Any updates provided are subject to the terms of this EULA unless accompanied by a separate agreement.

7. File Modification, Data, and Compatibility Disclaimer

You acknowledge and agree that:

- (a) The Software is designed to read, write, and modify metadata embedded within WAV audio files. While the Software does not modify audio data, it does write to and alter metadata chunks within your files.
- (b) The Software employs atomic write operations and is designed to preserve existing data within your files. However, no software can guarantee against data loss, file corruption, or unintended modification under all circumstances, including but not limited to hardware failure, power loss, storage media errors, or unforeseen software defects.
- (c) **You are solely responsible for maintaining adequate backups of all files before using the Software.** The Licensor strongly recommends that you back up all files before performing any batch operations, including but not limited to batch editing, find and replace, renaming, and template application. Batch operations may affect multiple files simultaneously and increase the scope of potential data loss if a problem occurs.
- (d) The Software writes metadata in accordance with established standards including Broadcast Wave Format (BWF/bext), iXML, XMP, ID3, LIST/INFO, and others. However, **the Licensor does not guarantee that metadata written by the Software will be read, interpreted, or preserved consistently by third-party software, hardware, or systems.** Variations in how third-party applications implement metadata standards may result in metadata being displayed differently, partially read, or not recognized. The Licensor is not responsible for the behavior of third-party software with respect to metadata written by the Software.
- (e) The Software is intended for use by audio professionals who maintain independent verification and backup procedures. It is not intended for use in systems where data integrity is mission-critical without such safeguards in place.
- (f) The Licensor shall not be liable for any loss of data, corruption of files, or any damages arising from the use of the Software on your files, whether or not you have maintained backups.

8. Disclaimer of Warranties

THE SOFTWARE IS PROVIDED “AS IS” AND “WITH ALL FAULTS.” TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, THE LICENSOR HEREBY DISCLAIMS ALL WARRANTIES AND CONDITIONS, WHETHER EXPRESS, IMPLIED, OR STATUTORY, INCLUDING BUT NOT LIMITED TO ANY IMPLIED WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, ACCURACY, RELIABILITY, AVAILABILITY, COMPLETENESS OF RESULTS, WORKMANLIKE EFFORT, LACK OF VIRUSES, AND NON-INFRINGEMENT.

THE LICENSOR DOES NOT WARRANT THAT THE SOFTWARE WILL MEET YOUR REQUIREMENTS, THAT THE OPERATION OF THE SOFTWARE WILL BE UNINTERRUPTED OR ERROR-FREE, OR THAT DEFECTS IN THE SOFTWARE WILL BE CORRECTED.

TO THE EXTENT THAT SUCH WARRANTIES CANNOT BE DISCLAIMED UNDER THE APPLICABLE LAW OF YOUR JURISDICTION, ANY SUCH WARRANTIES ARE LIMITED IN DURATION AND SCOPE TO THE MINIMUM EXTENT PERMITTED BY SUCH LAW.

YOU ASSUME ALL RISK FOR THE SELECTION, INSTALLATION, AND USE OF THE SOFTWARE AND THE RESULTS OBTAINED FROM IT.

9. Limitation of Liability

TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, IN NO EVENT SHALL THE LICENSOR BE LIABLE FOR ANY SPECIAL, INCIDENTAL, INDIRECT, PUNITIVE, OR CONSEQUENTIAL DAMAGES WHATSOEVER, INCLUDING BUT NOT LIMITED TO DAMAGES FOR LOSS OF DATA, LOSS OF PROFITS, LOSS OF BUSINESS INFORMATION, BUSINESS INTERRUPTION, OR ANY OTHER PECUNIARY LOSS, ARISING OUT OF OR IN ANY WAY RELATED TO THE USE OF OR INABILITY TO USE THE SOFTWARE, WHETHER IN CONTRACT, TORT (INCLUDING NEGLIGENCE), STRICT LIABILITY, OR OTHERWISE, EVEN IF THE LICENSOR HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES.

IN ANY CASE, THE LICENSOR’S ENTIRE LIABILITY UNDER ANY PROVISION OF THIS EULA, WHETHER IN CONTRACT, TORT (INCLUDING NEGLIGENCE), OR OTHERWISE, SHALL NOT EXCEED THE AMOUNT ACTUALLY PAID BY YOU FOR THE SOFTWARE LICENSE.

SOME JURISDICTIONS DO NOT ALLOW THE EXCLUSION OR LIMITATION OF INCIDENTAL OR CONSEQUENTIAL DAMAGES. IN SUCH JURISDICTIONS, THE LICENSOR’S LIABILITY SHALL BE LIMITED TO THE GREATEST EXTENT PERMITTED BY LAW.

10. Purchase, Refunds, and Merchant of Record

(a) Your purchase of the Software license is processed by Lemon Squeezy (<https://www.lemonsqueezy.com>), acting as the Merchant of Record. Issues related to billing, payment processing, receipts, and tax documentation are governed by Lemon Squeezy’s Terms of Service.

(b) The Licensor offers a thirty (30) day, no-questions-asked refund policy from the date of purchase. If you are unsatisfied with the Software for any reason, you may request a full refund within this period by contacting contact@wavscribe.com. Refunds will be processed through Lemon Squeezy. After the thirty (30) day period, all sales are final except where a refund is required by applicable law.

(c) This EULA governs your use of the Software. The purchase transaction and this license agreement are separate legal relationships.

11. License Transfer

This license is non-transferable. You may not sell, assign, gift, or otherwise transfer your license or License Key to any other individual or entity. If you wish to cease using the Software, you may terminate this EULA in accordance with Section 12.

12. Termination

(a) This EULA is effective until terminated.

(b) If you fail to comply with any term or condition of this EULA, the Licensor will provide you with written notice of the violation. You shall have thirty (30) days from receipt of such notice to cure the violation. If the violation is not cured within this period, this EULA and your license shall terminate automatically without further notice.

(c) Notwithstanding the above, the Licensor may terminate this EULA immediately and without a cure period in cases of License Key fraud, unauthorized redistribution of the Software, or any violation that causes irreparable harm to the Licensor.

(d) You may terminate this EULA at any time by uninstalling the Software and destroying all copies in your possession.

(e) Upon termination for any reason, you must destroy all copies of the Software and all of its component parts.

(f) Sections 5, 7, 8, 9, 11, and 14 shall survive termination of this EULA.

13. Governing Law and Jurisdiction

THIS EULA SHALL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE LAWS OF TAIWAN (REPUBLIC OF CHINA). WHERE THIS LICENSE IS CONCLUDED WITH A CONSUMER LOCATED IN TAIWAN, THE MANDATORY PROVISIONS OF THE CONSUMER PROTECTION LAW OF THE REPUBLIC OF CHINA (TAIWAN) SHALL PREVAIL OVER ANY CONTRARY AGREEMENT.

FOR DISPUTES ARISING OUT OF OR IN CONNECTION WITH THIS EULA WHERE THE LICENSEE IS A CONSUMER LOCATED IN TAIWAN:

THE PARTIES AGREE THAT THE COURTS OF KAOHSIUNG, TAIWAN (R.O.C.) SHALL HAVE JURISDICTION; AND

NOTWITHSTANDING THE FOREGOING, NOTHING IN THIS CLAUSE SHALL PREVENT THE CONSUMER FROM BRINGING AN ACTION IN THE COURTS OF:

(A) THE CONSUMER'S DOMICILE OR HABITUAL RESIDENCE IN TAIWAN, OR

(B) ANY OTHER COURT THAT HAS JURISDICTION UNDER APPLICABLE LAWS, INCLUDING THE CONSUMER PROTECTION LAW AND THE CODE OF CIVIL PROCEDURE OF THE REPUBLIC OF CHINA (TAIWAN).

THIS JURISDICTION CLAUSE IS NOT INTENDED TO EXCLUDE OR LIMIT ANY NON-EXCLUDABLE STATUTORY RIGHTS OF CONSUMERS UNDER TAIWANESE LAW.

14. Modifications to this Agreement

- (a)** The Licensor reserves the right to modify or update this EULA at any time. Any modifications will be effective upon posting of the revised EULA at <https://wavscribe.com>. The Licensor will make reasonable efforts to notify existing licensees of material changes via the email address associated with their purchase.
 - (b)** Your continued use of the Software after the posting of a revised EULA constitutes your acceptance of the modified terms. If you do not agree to the modified terms, you must stop using the Software and may terminate this EULA in accordance with Section 12(d).
 - (c)** In the event of a dispute, the version of this EULA in effect at the time the dispute arose shall govern, except where a subsequent version has been accepted by the User through continued use following notification.
 - (d)** The current version of this EULA is always available at: <https://wavscribe.com/eula>
-

15. Severability

If any provision of this EULA is held to be void, invalid, or unenforceable by a court of competent jurisdiction, the remaining provisions shall continue in full force and effect.

16. Entire Agreement

This EULA, including any appendices attached hereto and as modified in accordance with Section 14, constitutes the entire agreement between you and the Licensor with respect to the Software and supersedes all prior or contemporaneous oral or written communications, proposals, and representations with respect to the Software or any other subject matter covered by this EULA.

17. Third-Party Software Notices

The Software includes third-party open-source components, each subject to its own license terms. Full license texts for all bundled components are provided in the licenses/ folder included with the Software installation, and in the file THIRD_PARTY_NOTICES.txt. By using the Software, you agree to comply with the terms of those licenses.

The following open-source components are included:

- PySide6 / Qt** — GNU Lesser General Public License (LGPL) v3
- numpy** — BSD-3-Clause License
- soundfile (PySoundFile)** — BSD-3-Clause License
- openpyxl** — MIT License

miniaudio — MIT License (public domain / 0BSD for underlying C library)

defusedxml — Python Software Foundation License

LGPL v3 Compliance Notice (PySide6 / Qt)

The Software uses PySide6, the official Python binding for the Qt framework, licensed under the GNU Lesser General Public License version 3 (LGPL v3). In accordance with LGPL v3 §6, the following rights and information are provided to you:

(a) You have the right to obtain the source code of the PySide6 and Qt libraries used in this Software. For any LGPL-licensed component bundled with WAVScribe, source code corresponding to the version distributed with your installer is available upon written request to contact@wavscribe.com. This offer is valid for three (3) years from the date you received your copy of WAVScribe, in accordance with GNU LGPL v3 Section 6.

(b) You have the right to modify the PySide6 / Qt libraries and use your modified version with this Software. The Software can be relinked with a modified version of PySide6 by replacing the bundled Qt library files (.dll) in the Software's installation directory with user-built equivalents and repackaging via PyInstaller using the provided specification file.

(c) The full text of the LGPL v3 license is included in the licenses/ folder of the Software installation and is also available at: <https://www.gnu.org/licenses/lgpl-3.0.html>

The Licensor's use of PySide6 under the LGPL does not place any open-source obligation on the proprietary portions of the Software. WAVScribe itself remains proprietary, closed-source software.

18. Icons8 Asset License

The Software includes user interface icons licensed from Icons8 LLC (<https://icons8.com>) under a paid commercial subscription. These icons remain the intellectual property of Icons8 LLC and are subject to the Icons8 Universal Multimedia Licensing Agreement.

You may not:

(a) Extract, copy, or redistribute any Icons8 assets from the Software as standalone files;

(b) Use any Icons8 assets contained in the Software independently or outside of the Software;

(c) Claim ownership of any Icons8 assets contained in the Software.

The full Icons8 Universal Multimedia Licensing Agreement is available at: <https://icons8.com/license>

19. UCS Taxonomy Acknowledgment

The Software includes data from the Universal Category System (UCS) v8.2.1, a public domain initiative by Tim Nielsen, Justin Drury, Kai Paquin, and contributors worldwide. UCS data is used with gratitude and in accordance with its public domain status. For more information about UCS, visit: <https://universalcategorysystem.com>
